If your child's hours with us are fully funded, then you can choose to opt out of the payment of any or all elements of the charges for these items.

If you opt out of the paying for these items, you will be required to provide your own snack. This will need to comply with our Health Eating policy and Allergy requirements in the setting. Please speak to the Manger before any snacks are brought into the setting.

If a snack is not provided, we will provide your child with a snack from the supplies we have in the setting but this will then be invoiced to you at the rate of £2.50 per day.
